### Is participation in the group health and hospitalization insurance plan compulsory?

Yes. You will be billed as soon as an enrollment is registered in your file. Insurance documents will be issued by Desjardins Insurance.

### When does insurance coverage start?

Sometime during the first few days after you arrive in Québec, you will receive an email from the Registrar's Office with the insurance policy number and your personal certificate number that our insurer (Desjardins) issues to you.

With this information, you will be able to access your virtual membership card (also known as a payment card) through the Desjardins member site or through the Desjardins mobile app. You will also have access to phone numbers in case of a medical emergency.
